M.Div.; University Chaplain

# LITANY “So We Can Light Your World”

**Leader:** Lord, we live in a world darkened by sin, by depression, by sadness, by sickness.

**Nursing Students:** You chose us to light Your world.

**Faculty/Staff:** Never has the world seemed darker; never has there been a need for nurses to shine brighter.

**Nursing Students:** We want to light Your world.

**Parents:** You have promised that if we follow You we will not walk in darkness, but will have the Light of life (John 8:12)

**Nursing Students:** Lead us, Jesus, so we can light Your world.

**Congregation:** Your Word teaches us that when we love others we share Your light. Help them to love their patients.

**Nursing Students:** Fill us with Your love, so we can light Your world.

**Leader:** As we follow Your example, we learn to have compassion: compassion for our patients such as the scared child, the dying elder, the depressed teen, or the happy new mother.

**Nursing Students:** Give us compassion, so we can light Your world.

**Faculty/Staff:** For God, who said, “Let light shine out of darkness” made His light shine in our hearts to give us the light of the knowledge of God’s glory displayed in the face of Christ (2 Cor 4:6)

**Nursing Students:** Teach us so we can light Your world.

**All:** Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven. (Matt 5:16)

**Nursing Students:** Ignite us so we can light Your world!
