# HEALTH PROFESSIONALS COVENANT

As a professional nurse, dedicated to enhancing the well-being of individuals and communities, I am committed to achieving the highest level of professional competence to fulfilling my responsibilities with compassion, and to helping patients make their own informed choices about Healthcare.

Because I recognize that effective health promotion, disease prevention, and curative and long-term care are products of the combined efforts of health professional teams. I pledge collaboration with similarly committed colleagues to meet the physical, emotional, and spiritual healthcare needs of individuals and communities.

Further, I will work within my profession to promote the patients' and public's interests, above self-interests of my profession.
